Chapter 9 : Prince

I just want to
meet a prince on
a white horse...

A prince
who finally
found me...

A prince
who accepts
who I am...

A prince...

Who will
love me
wholeheartedly...

Ugh...

I'm...
so stupid.

I looked so
stupid right now,
right?

Why didn't
I listen to you guys...?
Why did I think he'd
only love me...?

I thought
we could live
happily together
forever...

I have
to go.

I'll give you
my notes. Come to
class once you're
feeling better.

Yknow... You can't keep doing this. You've already skipped class for two weeks. You might get an F.

I warned her right from the beginning, he's a playboy who changes his girlfriend every three months.

She didn't believe me and said, "I don't care what anyone else says, I've found my prince."

She hasn't answered my calls. Even you, her best friend, couldn't drag her to class.

Heh... And she was kicked off an E-class horse. Believe me, no man ever builds his body for anything but women.

Hey, don't say all men build their bodies for that. Some just want to be healthy.

Is that a mouth or a toilet.

True, some would rather fart with boys, like you.

Enough...!!

KAT
A

...

Hello...

I'm not
a prince.

Instead of
a white horse,
I have an old
minicooper.

I can accept
how clumsy you are,
how moody you are,
and how much you
squirm when you
sleep.

No matter what,
I will be there
by your side
forever.

Will you be
my princess?

Dammit!
Your hair is so beautiful! Why
did you cut it?

And that suit!
Are you
kidding me?

Err...

You...

You don't have
to be a prince
because I'm not
a princess.

Just
the last one...
I just want that
last sentence
to be true.

You
don't have to be
a prince, so will you
stay by my side
forever?

—

Now and forever,
I promise...
